Dear prospective customer,

Please find the enclosed promotional material for the vocal duo, TAKE 2.

TAKE 2 are professional musicians and well qualified music teachers with over 30 years combined performance experience.

Maria was managing director of "Haverfordwest Music Academy" (Wales, UK) with over 100 private students from 1993 until 2007.

Maria has been performing as a professional vocalist and musician since 1990 as a soloist and in various bands and stage productions.

Jim was employed as a lecturer in Music Technology specialising in Performance, Recording and Sound Engineering from 1996 until 2007 at Pembrokeshire College, one of Wales' largest Further Education establishments as well as working as a private tutor for Haverfordwest Music Academy.

Jim has been performing as a professional vocalist and musician since 1992 as a soloist and in various bands covering a wide range of styles.

Jim & Maria relocated to Paphos Cyprus in September 2007 to concentrate on the performance aspects of their respective careers.

Take 2 strive to provide a professional sound and repertoire to suit any event – we have a flexible amplification system that allows us to play any venue from small to large at appropriate volume levels, we are able to use backing tracks with live vocals or accompany our voices by playing either piano or digital keyboards.

A typical TAKE 2 set will mix tracks of different styles and different eras to try to provide "something for everybody", however some customers prefer us to follow a theme i.e. "Rock & Roll night" or "70's night".

Our repertoire encompasses popular music from 1950's Rock and Roll, through 1960's, 70's, 80's & 90's, Pop, Rock, Soul music up to more recent chart hits (for party type events), as well as ballads, middle of the road "easy listening" and jazz standards (for a more relaxed event).

Take 2 have a vast experience of providing music for wedding events, both for the ceremony and the evening reception party.
